Really this, I came up with on some silly shit,

Look how good it is,

Ya'll illy, Im Iller, Im from Illinois,

The big sean, why dont you call your chi town boys,

Show me where they at,

I will destroy,

Im bout to fuck somethin up,

I might as well call the lawyer,

Good music run this bitch,

Yes we do,

I know you thinkin "damn I wish Ye would bless me too"

In the booth I use the restroom

Its best you, Go ahead and kiss the jesus piece Cuz I
just blessed you,

Uhh, And holy water odds against Ye

Its slaughter ever since the day I opened up that
midnight marauders

Now its gon be a problem like a brand new installment
from the late great Mr. Christohper Wallace,

They call us pompus,

Can I be honest? Honestly, Modesty wasn't ever in my
policy,

Apology accepted, you aint say it? Shoulda said it,

As soon as I did, all the Bullshit was deaded.

Come and make an observation
And it seem like the murder rate is higher than the
population,
Damn, I bet you just as sweet as you look bitch,
You are just bushwick, Im 8 foot 6,

Good music man Ye where he find me at,
Im so dominant, Im so confident
That lma get a compliment on any fuckin continent
from freaks thats fine is shit without this designer shit,
Big business, respect my conglomerance,
Girls get check, but my bank get check more,
Whenever niggas check up, Im who they check for, or

Loui V shit so much domnier print fuck around and play
checkers,
And these rappers get critical damages, But I rap to

You the man in your city, Cool.
When Im out performin? right after you,
Im sorry but you gone be ranked right afta two,
Cuz Im first place,
And second is my crew,
So move, Bitch.
