Them yellow diamonds in my chain yeah that must  
mean I'm rich

I got those BBS' blushing and you know those  
diamonds brighter than a bitch

Just watch 'em glitter, glitter,  
Glitter the whole room lit up, lit up, lit up

Just watch us glitter, glitter,  
Glitter, glitter, glitter ain't I shining though

She said it's nice to meet me, my chain is clear like Fiji

My diamonds shine in blue and red you think that shit is  
in 3D

The way you wanna go Jamaica or Tahiti, don't share  
you with no others

Love the money plus I'm greedy,  
And it's a piece of cake, I say cause I'm a pro  
You little fake boys, it's like Pinocchio  
But I'm in Tokyo, gettin massages from these hoes  
And you can hate but I'm just flying private on these  
hoes

Them yellow diamonds in my chain yeah that must  
mean I'm rich

I got those BBS' blushing and you know those  
diamonds brighter than a bitch

Just watch 'em glitter, glitter,  
Glitter the whole room lit up, lit up, lit up

Just watch us glitter, glitter,  
Glitter, glitter, glitter ain't I shining though

Diamonds are yellow this shit look like immigrations  
Stacking money to the ceiling, I'ma need a renovation  
You a rhinestone shorty, Your shits an imitation  
Man my neck shining so bright I feel like I'm on a  
vacation, man

So fuck you and your outlet, outfit, you can buy mine  
from,

Sike I'm playing nigga this ain't out yet, silly niggers  
Yellow diamonds, my neck froze, neck froze chain

heavy  
I feel like my neck broke

Them yellow diamonds in my chain yeah that must  
mean I'm rich  
I got those BBS' blushing and you know those  
diamonds brighter than a bitch  
Just watch 'em glitter, glitter,  
Glitter the whole room lit up, lit up, lit up  
Just watch us glitter, glitter,  
Glitter, glitter, glitter ain't I shining though
