[Hook: Big Sean]

My life is nothin' but a G thing  
Pick up 100 G's, take off a G-string  
Clique full of Gs and some bad-ass bitches  
Oh, your ear to the streets? Okay, well, holla if you hear  
us  
I keep it G, I keep it G  
I keep it G, I keep it G

[Verse 1: Big Sean]

My life is nothin' but a G thing  
Pick up 100 G's, take off a G-string  
Oh, Jesus, they love me to pieces  
I got a up in the game cause I was tired of the  
bleachers  
Get rich, repeat it, taste it, I'm delish  
Lookin' so good she put me on her fuck for free list  
I turn her on 'fore I go in  
I swear that pussy keep this  
I might let her ride the mic and let her girl come get the  
remix  
I'm rollin' rich nigga weed, I got a rich nigga bitch  
I'm ridin' 'round the city, in a rich nigga whip  
Yea a nigga paid a grip, for all this rich nigga shit  
And all these bad hoes, they want a rich nigga's dick  
O Lord, this life is such a blessin'  
See I smoke 'til I can't smoke no more and this drink is  
no exception  
Man these crazy niggas crazy, nigga when you gon'  
learn yo lesson  
They won't talk shit about you plaques, but they gon'  
talk when you are restin'

[Hook]

[Verse 2: 2 Chainz]

10 Ben Franklins, nigga, that's a G homie  
Flash the pinky ring, baby you can ski on it  
Put it in your uterus, U-Haul, I move the shit  
Baby I'm a shark and these rappers taste like tuna fish  
Look at this, movie with no movie script  
I die real, do this shit

Just bought an old-school so that's my newest whip  
Cardiers on, I can see all through the shit  
I spell southside with an F that stand for foolishness  
Fuck that shit, fuck with us, we'll have you in some  
luxury  
I need a stash pot for a couple keys  
When I'm in the Gucci store, I spend some G's to wear  
some G's  
If you is a sucker, I'm a charger, where's the sucker  
fee?  
Luckily, smoking on that vote for me, Presidential  
evidence  
Truck so big, I can't park it at my residence  
Wallet so big, I can't put it in my back pocket  
Soon as her ass dropping, the cash dropping
