Yeah
Finally famous in this
yeah

(Chorus)
Do I really need an intro
Cause dey know, dey know, dey know
Do I really need an intro
Who I am, Who I am, Who I am
Do I really need an intro
Dey know, dey know, dey know
Do I really need an intro
Who I am, Who I am, Who I am

All I get is respect, as soon as I eject the vehicle
I bet you cannot detect, the scratch of a defect
From where the streets feast at, but made it out the
belly of the beast without a C-sect
I'm so straight up, I'm so erect
Hype off that action, I'm so direct
I know it's a hundred thousand niggas up in Michigan
Doing it, but where I lack in talent I make up for it in
discipline
And go hard, so hard til nobody else is on my sonar,
radar, or lane cause I Bogart

Nowadays all we do is classic, Mozart
Outta here, it would be polite to send a postcard
I meant a post heart, yall niggas post hard
So lost co-star, coast off au revoir
I mean look at all we been in
And I look up in the mirror like boy you aint even
finished

(Chorus)

Do they really need my info, to show them what they in
for
I'm recognized like kinfolk, even when my brim low
I come from where that life talk, where dat where dat
knife talk
D-town, be brown, more money than white chalk

and on them nights how we grind til its light out
grind til the sunset, til my grandson set, yup
yeah, man my kids gone have the good life
good days, good nights, and not the wish I could life
strongest survive it, they see he trying to make
something outta nothing
they like damn he Macgyver
Damn he go live, but too good to try and let up
and im better than whoever put together

(Chorus)
