Lyrics: (Verse 1)

I promise we gone live how we want
I promise we gone get all we want
Split the bill, naw forget the bill
Look, We gone buy the whole resturant
Remember way back when we gone say back then
We'll be the ones that will have arenas packed in
Livin big time yup big time to the point were our name
coulda been Big Ben
No matter what they gave I'da neva gave in wit out sun
shine I neva caved in.
I'm finally famous til the lights is faded then the crowd
is jaded when I hop on stages

(Hook)

(Hey) You don't live for life so live your life when you
live and die look back and say you did it right When
you get it right I hope it lasts for life

(Chorus) (X2)

Last for life
Last for life
Last for life
Man I wish that this could last for life
(Lookin back) Lookin back on all we saw who woulda
thought we'd get this far You search your life for
heaven on earth when you get it right hope it lasts for
life

(Verse 2)

I promise they gone all try and be me
I promise they gone know who we are
I promise we that gone be successful with or without
the college degree
Remember old head use to tell my momma That boy
will be somethin one day I promise
So they should not expect nothin less then to see us set
like dine nets I guess and we all waitin for tomorrow
and sometimes without actin we gotta deal with drama
Hey to get these dreams I figure its gone take more
than nyquil and pajamas

But they know whats up We hoppin out and they know
it's us
When we get it right look back and say that we did it
right and hope it lasts for life

(Chorus) X2

Last for life

Last for life

Last for life

Man I wish that this could last for life

(Lookin back) Lookin back on all we saw who woulda
thought we'd get this far You search your life for
heaven on earth when you get it right I hope it lasts for
life

(Big Sean Talking)

Yo I remember I use to ride to school with my dawg
Tom and we be listening to Kanye jay z man you know

business with them. You know people always ask me
like you know, Why didn't you go to school? Why didn't
you go to college? Its like man I didn't go to school cuz
this is what I wanna do you know what I mean this is my
dream. The thing is you can go ask Jay Z who Big Sean
is? you can ask Pharrell who Big Sean is?, you can walk
into Def Jam offices right now be like who is Big Sean is
and LA Reid will tell you Who Big Sean is. you can ask
Nigo who Big Sean is and they Know. Man I'm 20 years
old and I've been around the world. I've been around
the world u know doing the thing I love to do. Like what
more could you ask for and thats real.
