[Big Sean - Chorus]

Yeah this was meant to be

I came in the world knowing nothing was for free  
so you gon pay for her and she gon pay for me  
my life is the sh-t I guess that this was meant for me  
(repeated)

tell a b-tch to tell her friend  
to tell her friend to tell a hoe  
I have been the realest since the doc came out  
umbilical  
hundred inch d-ck yep and twenty pound genitals  
so you gon have to stay there til my (?)

tell a b-tch to tell her friend  
to tell her friend to tell a hoe  
tell a b-tch to tell her friend  
to tell her friend to tell a hoe  
tell a b-tch to tell her friend  
to tell her friend to tell a hoe  
I have been the realest since the doc came out  
umbilical  
hundred inch d-ck yep and twenty pound genitals  
so you gon have to stay there til my (?)

[Big Sean - Verse 1]

Stack that paper  
stack it stack it stack it up some more  
give me everything I want then I'm asking for some  
more

Im smoking up on that tropical charlie green (?)  
rainbow chain on my necklace look like a pot of gold  
I know these girls tryna no jumping off Jeronimo  
they tell me I'm the best and I aint even trying hoe  
see me I'm into hoes that's into hoes  
so now I'm in two hoes, real sh-t boy  
you don't drink, more for me  
we chillin out with n-ggas can't afford to be  
look baby girl you better act accordingly  
cuz I see (?) but sorry there's no more of me

[Chorus]

[Big Sean - Verse 2]

Ca-ca-ca-catch me if you can  
cuz I might go from plane to whips  
cuz money is hand to hand  
and I be shining neck to wrist  
and your girl want mouth to mouth  
and I make her get neck to d-ck  
cuz she just want connections with a n-gga thats  
connected  
b-tch, Im who they want be, want see, want see  
used to tell me everything I want be  
you gon be, f-cking with piranha's and they want eat  
but somehow I just turn the tide like laundry  
ooh, and now my life is beautiful  
I'm a boss b-tch you should come and grab a cubicle  
look and I remain until my funeral  
stand up n-gga like I'm in front of the urinal
