G.O.O.D Music in this bitch

(Verse 1)

Man I was up early in the A.M., legs will be achin'  
Feet will be achin' from dreams I was chasin'  
Was always told "you won't see nathan just waitin'"  
Like them hatin' ass niggas that just sit around hatin'  
Pussy ass niggas they shoud sit around thinkin'  
Walk around in aprons bitchin' and bakin'  
I'm sayin my city like "we need another hero"  
I'm tired of playin' the background like Tito  
Jackass niggas, remind me of Steve-o  
I put em in their place so I remind them of debo  
Ay did you see that award show where I got my close  
up? Its all good I got it on Tivo  
'Ye called me and my mama said "I think its time to  
sign"  
Got signed 'round the time Common said "its for the  
people"  
I'm tryna make it better for mines without a kilo  
Made it out the D, boy and he ain't a d-boy  
No, and he ain't a d-boy  
Man these other niggas decoys

(Verse 2)

Now mama i done grown up too much for you to try to  
have me babied  
And lately, I realized that I was (?)  
We eatin' bout to have a perfect season I'll be damned  
if I get Randy Moss and Tom Brady-ed  
I made a little change I can't truly complain  
Datin' with a chick that got beauty and brains  
But when them bitches come around talkin' bout sex,  
she gone say that I'm a dog, well all dogs go to heaven  
My grandma used to talk about how college was so  
needed  
Signed for a half a mill, now she like "who need a  
degree?"  
At our family gatherings like "who need a CD?"  
Everybody hands out like i said "who need a freebie?"

Man what's up? label said "he next up"  
People said "he next up" man let's get it pressed up  
I'm glad I never listened to y'all and let up  
Stuck to my roots, call me Questlove  
Call the radio and they gonna request us  
So I'm headed to the bank cause I'm finna check up  
Ha ha ha, ha ha ha, (?) blase blah I'll prolly buy that  
tomorrow  
For real, I'll prolly buy that tomorrow  
Naw for real, I'll prolly buy that tomorrow

Nigga you ain't know?
