[Big Sean]

ay, BIG

They say they want something real
thats what IÂ'ma give em
and if I keep it real how could they not feel it

Hey yeah

can you say GOOD music
can you say GOOD music

[Big Sean Verse 1]

Let me tell you about a bad ass chick everybody wanna
grab her

tryna climb on that looking for a ladder
n-ggas wanna stab her, dag her, dag it
everybody want it

aint too many had it
beauty and brains, went to all the classes
graduated too even went and got a masters
bad ass chick probably could have been an actress
so what she do?

she want to be an actress
moved to Manhatton, sh-t got real
took acting classes with Denzel
leading lady like Hillary grabbing big Bills

commercial money baby, ten thousand and a mill
yeah, plus she had a baby boy
and the n-gga she was with she couldnÂ't love more
still want more, sh-t she on a roll
move to hollywood she could probably get a role

and she did, but realised the n-gga wasnÂ't sh-t

addicted to the broads and on top of this she pregnant
with another boy

honestly thought abort but still had the boy
lets name him Sean
honestly probably after Connery
one of her favourite actors but acting aint promising
ay yo I know there was certain things that was meant
for you

and thats why IÂ'm giving you

[Chorus - Kanye West In Brackets]

(whatever you want)

this whatever you want

(before)

just tell me

(whatever you want)

you deserve whatever you want

(before)

I won't stop till you get whatever you want

(all the lights)

all the lights

(the love, dreams you blew away,

for your baby boy

hold on, Im on my way

whatever you want)

[repeated]

[Big Sean]

This goes out to you

this this this goes out to you, to you, to you

this this goes out to you, to you, to you my lady

(repeated)
