[Intro:]

Press play press play...

[Chorus:]

Sometimes my mind wanders away from me... I know  
I like my tachi up tough maybe one day I'll fly... Who  
knows who knows who know?

I knows...

Who Knows?

[Verse 1:]

I wish I could be when I want to. I wish I could do what I  
don't do. I need a miracle I hope it come through. I'm  
trying to work it out, I need a jumpsuit (damn) cause I  
had me enough of not havin' enough, slackin' this  
stuff. Mama on the phone not bragging or nothing  
cause he son ain't really got shit happening much. saw  
my bank account like where all the "O's" at? Hit the club  
like where all the hoes at? get a lil change and you'll  
see how shit change you'll be up in the crib like where  
all her clothes at? And ask your girl she know it easy to  
say no to a nigga whose broke, but somebody with a lil  
more... Shit... I dunno.

[Chorus]

[Verse 2:]

And I always have drive, gets where I'm going when I  
ain't have a ride. And when they ask do you do what  
you love I'm a say I do if I ain't got a bride. and I always  
call faith like big always trying to do it big till my crib on  
Cribs. And my girl ain't got to worry 'bout shit cause our  
world is going be the shit. So she can tell her mom I'm a  
keeper. I am a dreamer, I coulda been a king huh. I'm a  
put my hands together like an applaud look up for like  
what up lord. I know if you try to you can turn these  
gray skies back to sky blue. What's made for gift of  
gold like a drive-thru You give us opportunity and see  
what we do with it.

[Chorus]
