Listen me like you're a star
It's written like girls go wild,
Your body still..jeans like aside
And girl back it up again, back it up again

can't callin your friend, callin your friend
And rewhine it to them,
make you remind me again
Sexy girl

Chorus:
The whine that make you say you love me,
The whine that make you say you love me,
got me .. me and you..
back it up and make no one and
The whine that make you say you love me,
The whine that make you say you love me,
love you and all up, are you the..
