Yeah!
Amarco... Washroom,
Alright
What she need me a go give her what she need yeaah,
what she need yeah! washroom is what she need, Yeah
yeah
I'll try to let her know that she was the right one for
me
Give me the chance and let go... go.. (listen)
If i had a girl like you baby i wouldn't be cheatin
She said i want you to know that she's heard it
before
The promises the never leave you for rich or for poor
The never break ur heart
The never witness me walk through the door
The never lay my hands on you that would be so
immature
See the tears running down your face
You don't know the truth anymore
Chorus:
What she need, what she need, what she need yah
what she need
Love love love love love, woh alota love love love love
love yahh
What she need, that she need yah, that she need yeah
that she need love love love love love,
Woh alota love love love love love yahh
I'm not that type of guy to treat you the way they
treat you
I'm a lover and not a fighter for sure, (for sure) no
(for sure) yah
Baby let's make this official a perfect picture
She said i'ma tell you once more that she's
heard it before
The promises the never leave you for rich or for poor
The never break ur heart
The never witness me walk through the door
The never lay my hands on you that would be so
immature
See the tears running down your face
You don't know the truth anymore
[2 x Chorus:]
