Revel in impurity
Bow before his alter
Throne of blasphemy
For Satan is lord

Ritual lust
Lust of unholiness
Arise from beneath
Spirit of darkness

Destroy the holy book
Book of Lies
Eternal hordes
Arise from hell

Shun all holiness
Condemn all religion
Smash the pearly gates

Taste the rivers
Of blood and death

Witness the destruction
Of the holy heavens
For the time has come
To kill all christians

Crucify the bastards
Watch them die
The holy ghost is dead
The world set free

All holiness
All christians
DEAD!!!
