[Originally by Judas Priest]

Howling winds keep screaming 'round  
And the rain comes pouring down  
Doors are locked and bolted now  
As the thing crawls into town

[Chorus:]  
Straight out of Hell  
One of a kind  
Stalking his victim  
Don't look behind you  
Nightcrawler  
Beware the beast in black  
Nightcrawler  
You know he's coming back  
Nightcrawler...

Sanctuary is being sought  
Whispered prayers a last resort  
Homing in it's cry distorts  
Terror struck they know they're caught

[Chorus]  
As night is falling!  
The end is drawing near!  
They'll hear!  
Their last rites echo on the wind...

"Huddled in the cellar  
Fear caught in their eyes  
Daring not to move or breathe  
As the creature cries  
Fingernails start scratching  
On the outside wall  
Clawing at the windows  
'Come to me' it calls  
Atmosphere's electric  
As it now descends the stairs  
Hiding in the darkness  
Is so futile from it's glare

Death comes in an instant  
As they hoped it would  
Souls ascend to heaven  
While it feasts on flesh and blood!"

[Chorus x2]

Beware the beast...  
Nightcrawler...  
Beware the beast
