Here I am, ready to get mo dough,
Gotta look clean, feelin to by a polo,
And some jewelery, that shine brighter than the lights

See em flashing at me now like wat u stole yo,
I stole the hip hop game, I run the industry,
And I'm gone be going platinum, know u feelin me
Know wat triple that, or they could make a new medal,
Cuz watever I predict I make it to, I always do better.
I guess I am a kind of the preppie type, (sure)
Naw I'm real, don't hate cuz ya neck be light.(ooh)
Rich nigga, I had to earn my own rep,
And u try to buy stuff u can't afford so u on dept.
Then u talking bout ya grind need to be respected,
Please your car need to be inspected,
All I'm saying, yall need to stay under 6 feet,
From land, no repeat, cuz I don't think he see.

(Chorus)

Do You Understand the Price, (of wat them rims cost,)
Do You Understand the price, (of wat that Chain cost)

Understand, my cash keep flowing,
U can't do the same thing, don't know where ya life is
going.

(Verse 2)

Yeah, as I continue to get my dollar bills,
Niggaz confront, and I wonder wat the problem is,
That's wat happens when u have a general audience,
P.G fools, don't understand wat the topic is.
So I have the right to talk about the white diamonds,
Don't be a hater, 1, 000 dolla watch, yeah I'm shining.
Got ya blind, yeah your vision I will take it,
I'm undefeated, just like I played for the new england
patriots.

And I guess my style is to proper man,
So wat, u be asking me to loan u another hand,
Fake buster, cuz it seems like ya necklace turned,
And I aint donating boy cuz ya respect aint earned.
Then u say the ghetto aint being treated fair,
Please, u aint bothering to try to be a millionaire.

Yes I'm saying, yall life is a broken needle,
Pointless, end of procedure, wanna be saved u need
to.

(Chorus)

Do you understand the price (of wat them rims cost)
Do you understand the price (of wat that chain cost)
Do you understand the price (of wat that spoiler cost)
