If I find u, u be saur, then u gone be lurching free.
And if anybody hating, u aint go hear a word from me,
I know I'm a real artist, I didn't learn where ms.burton

U are listning to the lyrics of a hardworking beast,
DJY, raised on the certain streets,
Brunswick, VA, hard place to be searching see,
Aint nobody famous, so why we learning g,
Best thang u can be is a docter, but I don't wanna cut a

So DJY does wat it do, earning cheese,
Shit I'm smart enough to drop out, I'm sturda - free.
And I know my english well, I'm the top honors 3,
A genius, DJY, not the pick, the key
Yall unlocked a convict from it's cell,
Spiting phenomoly,
