If u don't kno u shuld be so aware,  
Dat I'm da best who eva did it, so don't compare,  
My flow so cold like polar bears,  
Chain so heavy like the diamonds holdin bears,  
Chain so bright, nigga u don't wanna stare,  
So much money, have 2 put sum in my underwear,  
I kno u don't care, but who iz u,  
I say wat I feel, I'm n da mood 2 do,  
Wateva I like, bout to bring the lyrics in,  
Put em 2 da test like dey wuzan experiment,  
Experience da way I b killin it,  
Can't do it like me see I think a lil different,  
Haters tawkin jiberish, I'm tawkin big stacks,  
Big dreams in da studio makin big tracks,  
Who dat boy wit da big phat pockets,  
I make it rain, yall make lil droplets (STOP IT)
