Ready to Die

(1st Verse)

This is tha story of a true champion,  
And why he don't got nobody challenging.  
Cuz he came from a rough hood,  
But still sellings records like crazy, so wats good.  
I'm good, a legend,  
I'm first, u second,  
And if u think otherwise,  
I'll be reckin,  
Nobody else could prove they freshness,  
that's why they aint #1,  
So they can get the steppin,  
Choose ya weapon,  
I'm ready to die,  
If they aint gone love me,  
Aint no way to survive,  
Through the haters and the critics,  
They just mad cuz I'm terrific,  
And my song go hard in the alantic & pacific,

(girl vocal chorus)

If the fans walk away,  
And the haters always have something to say,  
And if my record don't play,  
there's no need to live another day,  
Kill Me,  
I'm ready to leave this world,  
Kill Me,  
Good bye boys and girls,  
Kill Me,  
Ah, Ohh

(2nd verse)

1 year old, had surgery on the heart,  
4 years old, had surgery on the same part,  
They say I mite have another,  
Guess u can't live forever,  
And everytime I look in the mirror,  
I see that same little boy that went through terror,

So god bless me wit this skill,  
To be a hot music artist who struggled to get his own  
record deal,  
And there goes the label,  
I know u disable,  
To take down DJY, so don't put that money on the table,  
So hate on wats really poppin,  
And like the ones who are steady flocking,  
Cuz a real fan is someone that knows wat rap  
supposed to sound like,  
A hater is someone who hasn't found life,  
Just a person wit no soul,  
Put u in a choke hold,  
Stuff they say is so old,  
I'm sick of hearing the same mess,  
Kill me,  
Aint worth being fame - ess

(Girl vocal chorus)  
If the fans walk away,  
And the haters always have something to say,  
And if my record don't play,  
there's no need to live another day,  
Kill Me,  
I'm ready to leave this world,

Kill Me,  
Good bye boys and girls,  
Kill Me,  
Ah, Ohh

(3rd Verse)  
As enjoying life as a teenager,  
And gettin my paper,  
I see the best of haters,  
U know them under estimaters,  
Spying on me & telling lies like some kind of  
investigaters,  
But they don't know wat it takes to make one song,  
TALENT,  
U think it's fun (wrong)  
Let that suck nigga take my trophy,  
He didn't write that song is wat they told me,  
Thought I'd be a beast like kobe,  
I'm selling millions, he only sold three,  
Haters will convince people not to buy your album,  
Oops, I mean oprah, didn't hear me, turn up the  
volume,  
They just don't wanna follow this,  
Not just the government, the people in the audience,  
I'm sick of all of this,

Forget about the dollars spent,  
Disrespect aint the reason, common sence,  
Wanna say something, shut up and swallow this,  
A bottle of cris,  
Sike it's poison,  
For not supporting,  
But I'm sick of thinking negative  
Kill me, for I can know how heaven feel,

(Girl vocal chorus)  
If the fans walk away,  
And the haters always have something to say,  
And if my record don't play,  
there's no need to live another day,  
Kill Me,  
I'm ready to leave this world,  
Kill Me,  
Good bye boys and girls,  
Kill Me,  
Ah, Ohh,

(Demetri Chorus)  
If the fans walk away(yeah)  
And the haters always have someting to say, (uh huh)  
And if my record don't play, (DJY)  
there's no need to live another day, (get em mane)
