First of all gurl u trippin,  
Thinking that I just want some than leave but I'm  
different.  
I'm here to satisfy,  
Then want u to reply,  
U don't trust me but u need to try.  
No gurl I don't lie.  
(Yo looks did not turned me on all the way, )  
It's yo personality, the things u say.  
Me u is a reality, I aint dreaming today.  
Know that u are the best,  
Don't call me mr fresh,  
All u call me is lover and nothing less.

(Hook)  
Gurl I want u baby,  
U is more than a sexy lady  
Need u right now cuz u drivin me crazy,  
U smart, want u to know that me and u together is safe.  
Baby girl u is more than just a pretty face.  
Pretty face, nice waist, good taste, gurl u is an ace,  
pretty face, pretty face

(2nd verse)  
I wanna hold u in my arms tightly,  
Loving u nightly,  
Yo mind just really excite me.  
We got so much in common,

Know that u aint dumb and,  
U proud of wat u have accomplished,  
That's why u never ask for nothing.  
Don't mess wit gold diggers,  
Don't care about who butt is bigger.  
I'm in love wit u, I'm a real nigga.  
I aint fake,  
I got money to buy u a piece of steak.  
Aint gone leave u especially wit my child not having a  
father to teach him stuff and come back but it be to  
late,  
I'm their for u girl,  
Sex aint the only thing in this world.

Love and trust is, not money diamand and pearls.  
Can keep us together, u more than a pretty face, u care  
for me, and I care about u, I Love u gurl.

(Hook)

(Talking at end of song)  
Yeah, gurl, me and u is like will and jada,  
Don't worry bout them hataz,  
I know u don't want my paper.  
And I don't want u cuz u a good bootie shakers,  
I love u, see u later.
