feat. Jaquante, JLP, Lil' Tuck, & Baby T

(Intro)

Demetri

The club was cool last night, but it's packed today.

(1st verse)

Jaquante

I hit the club so fresh,  
Got my j's on,  
Puttin these niggaz to the test,  
I just pulled ya gurl and she already undressed,  
So imma take her to my room,  
They can tell the rest later,  
Cuz I'm tryna taste the flavor,  
Of this girl in the elavator.  
I'm gettin mine,  
No time for haters,  
Club was crazy, but we goin to my suite,  
If u disturb, I'll have u in defeat

(Verse 1)

JLP

I'm so fresh,  
You see the diamonds or my chest,  
Too many rings,  
Too much bling,  
Make them hoes sing,  
Haters with all that drama,  
Tell them to shut up and take that shit to their mama,  
Yeah keep a perfect stack,  
Got a metallic blac caddilac,  
Wit thick hoes in the back,  
Hit the club,  
Rollin on them chrome dubs,  
In there like a bay bay,  
Talk smack, & I be like wat u say, wat u say.

(Hook)

Demetri deep voice

We fresh, u not,

So hit the door this our spot,

Left but I'm so refreshed,  
SPIRYDAZ, we the best,  
Brunswick in the house,  
We the meanest,  
Fresh, fresh, fresh, fresh to death,  
Money, toss it to the left,  
Dancing so hard, hoes out of breath,

(2nd verse)

Lil' Tuck  
You know we stay fresh to death,  
Roll wit us, we take u higher than crystal meth,  
We undefeated,  
You niggaz tryna fake our shine,  
Take our grind,  
U niggaz just wastin my time,  
Yo I am a beast,  
Niggas wanna doubt me,  
I'm a hustla,  
Ask about, ask about me,  
Yo I'm like a fresh myssia,  
Roll up on them dubs with the 28 tires,  
I'm fire,  
Niggaz always wanna know where u get that,  
Then I say, u really need 2 get back.  
We Fresh

(2nd verse)

Baby-t  
I'm so fresh, fresher than u might me,  
Niggaz rock designer jeans, j's, and white t's,  
When we walk up in the club,  
You can tell that we grindin,  
Neck colder than alaska with jolly rancher diamonds,  
We pull up in them sprite bright chevys, 24 inch rims,  
Chromed out tis and u know they spin.  
Let them doors up, music pumpin loud,  
Everybody looken den they form a crowd,

Once they see it's me,  
Hoes come around,  
They start goin crazy like girl gone wild.  
Chain shining on my neck, rims shining on my car,  
Everybody looken thinkin we a star,  
They call me baby t,  
Aint gotta know ya alphabet to reconize a g.

(Hook)

Demetri deep voice  
We fresh, u not,  
So hit the door this our spot,

Left but I'm so refreshed,  
SPIRYDAZ, we the best,

Dancing so hard, hoes out of breath,

(3rd verse)

Yates

Oh no, it's me the freshest,  
Come up in the place with a white diamond necklace,  
Ear ring and iced out bracelet got yo eye effected,  
When the light reflected,  
U steady gettin rejected,  
If u lookin for me, I'm in the V.I.P  
Step back little buddy, no fake id,  
Only for my fellow folks,  
Niggaz in the white t's,  
Why u wearing that sweater for,  
No champagne for u, go drink some yellow yolk,  
At home, gets the eggs out the fridge & call it a toast,  
Cuz u will neva have a coupe on 22's,  
U rollin on 16's,  
Cuz u's a funny dude,  
Why u so fuddy - duddy  
Definition:old fashioned, dude u ugly,  
Since u slow, let me say this loudly,  
I'm so damn clean, u look so frowsy,  
Brightin up sun, don't be so cloudly,  
It aint my fault that u can't outstyle me,  
I'm out, oh yeah did I tell u that my coupe windows  
tinted,  
I just took ya girl, cuz she know my fresh status is at a  
good percentage,  
Ooh.
