(Verse 1)

Partin this,
Beast here for the tardiness,
Heard they @ the mouth again so I'm like who started
this,
Trash talk, while I'm tryna relax n peace,
I aint worring cuz look, I got stacks dat reach,
The ceiling, call it a new wall,
Green paint, now who ball,
Like dat, so u follow my lead,
But ignorance get u no where,
So yet I'm still hogging the cheeze, al'ite.

(Chorus)

New Artist coming in my way, tryna take my shine,
I done did enough relaxin, now I'm goin 4 mine,
Now I think it's time 2 warm up, Get back,
Now I think it's time 2 warm up, Get back,
Did I stop & freeze, time 2 warm up,,, oooh
Did I stop & freeze, time 2 warm up,,, oooh
No time 2 sit back and let these fools take over,
I'm DJY nigga, neva gone get colder,

(Verse 2)

Still the hottest nigga, but u don't see me sweat,
& u can run ya mouth at home, but neva on the T.V set,
See imma cheezy mess,
Dats why u always see me fresh,
U probably can do a little, but remember, Demetri's
best,
But neva mis judge the bosses powers,
Comin @ me wit excuses, know imma toss u out of,
My building, cuz I control u, yes imma rapping god,
See me interrupt just slapping frauds,

(Chorus)

New Artist coming in my way, tryna take my shine,
I done did enough relaxin, now I'm goin 4 mine,
Now I think it's time 2 warm up, Get back,

Now I think it's time 2 warm up, Get back,
Did I stop & freeze, time 2 warm up,,, oooh

Did I stop & freeze, time 2 warm up,,, ooh
No time 2 sit back and let these fools take over,
I'm DJY nigga, neva gone get colder,

(Verse 3)

Now I have 2 make a special announcement,
Since I am on da top of the mountain,
Dat u gotta stop doubting,
My beast status, and just do u,
And imma shine, cuz dats wat I'm used 2,
See'n a fresh businessman rockin da blue suit,
U see da same demetri but in a new view,
See da boy 2 cool,
But @ da same time 2 rude,
Just spit n yall face, now boo hoo,

(Chorus)

New Artist coming in my way, tryna take my shine,
I done did enough relaxin, now I'm goin 4 mine,
Now I think it's time 2 warm up, Get back,
Now I think it's time 2 warm up, Get back,
Did I stop & freeze, time 2 warm up,,, ooh
Did I stop & freeze, time 2 warm up,,, ooh
No time 2 sit back and let these fools take over,
I'm DJY nigga, neva gone get colder,

(Verse 4)

You know who I be, no need to introduce,
Thinking I'm gone stop, knowing dat I didn't finish u,
Showing up @ da interview,
Brand new tennishoes,
Dat boy is the truth,
And I'm talking bout my brother man,
SPIRYDAZ ENTERTAINMENT, gotta love it man,
