I will lift mine eyes
Unto the hills
From when cometh all my help
I will give You praise
I will bless Your name
For You are God and You are great

You're the God of everything
When I pray You answer me
What a friend I've found in thee
Everything You do; You do it well (everything You do)

When I think of the way's You've made (You do it well)
When I think of all You've done for me (You do it well)
The flowers and the trees (You do it well)
The waters in the sea (You do it well)
There's nothing too big or small for You; nothing that
You're unable to do

You're the God of everything
When I pray You answer me
What a friend I've found in thee
Everything You do; You do it well (everything You do)
