Take care of yourself darling  
I guess, I guess this is goodbye  
Tommorrow is coming quicker than yesterday came  
today  
I guess this is good night  
Cuz we've all got this one last night together  
So let's start the party  
You know we rocked  
Promise you won't forget about me

So these moments spent are coming to an end  
I'm counting seconds until next time again  
So listen 1, 2, 3, 4, 5, 6, 7, 8, 9  
We couldn't change it if we tried  
1, 2, 3, 4, Goodbye

We've all said before  
Our Time Is Here  
But it never meant a thing until we began to tear  
And I'll be aching before and after we depart  
From the remembrances from the very start  
The grand memories together  
The grand memories together  
Now here i am  
It's your song I'll be singing  
You're the voice i hear inside my head

These moments spent are coming to an end  
I'm counting seconds until next time again  
So listen 1, 2, 3, 4, 5, 6, 7, 8, 9  
We couldn't change it if we tried  
1, 2, 3, 4, Goodbye

We've raised our voices  
And we've followed our dreams  
One thing Who Will I Be you ask  
Well we'll never be too cool  
For Camp Rock 3

These memories spent are coming to an end  
I'm counting seconds until next time again  
So listen 1, 2, 3, 4, 5, 6, 7, 8, 9

We couldn't change it if we tried  
1, 2, 3, 4, Goodbye

Hasta La Vista
