And I feel, I feel a deep connection
And I think, that we might be onto something, no
And I know it's something special
Seeing you here, is not coincidental
Mmm...

Well I've been walking (walking)
Behind enemy lines
And I've been fighting, fighting
From the other side
I've been saying (saying)
I won't fall this time
But now I'm walking (walking)
With enemy lines
Ooh...
Ooh...

See, I was trying to be everything you weren't
expecting
All I ever wanted was to try and keep you guessing
But I'm falling way too fast
I just want this love to last
Forever, forever
And everytime I feel this way
Oh, something's changed for the better
(Whoa whoa ohh)

And I've been walking (walking)
Behind enemy lines
And I've been fighting, fighting
From the other side
And I've been saying (saying)
I won't fall this time
But now I'm walking (walking)
Within enemy lines

And now I'm walking (walking)
Behind enemy lines
And now I'm fighting (fighting)
From the other side
I've been saying (saying)
I won't fall this time

But now I'm walkin (walking)
Within enemy lines...
Oohhh
Ie-ie-ie-ie-ie-ie-ie- eyeah
