La-la-laa

I could have been the one you noticed
I could have been the one for you
I could have been like all the others
Is that what im supposed to do?

I don't wanna get disappointed
And I don't wanna have to prove
How I really feel about you
Cuz you don't even have a clue

I try to be sensitive
I try be tough
I try to walk away
I try to be innocent
I try to be rough
But i just wanna play

Your my day dream
do you that i've been thinking about you
Late-ly and everytime I look at you
I can't explain I feel insane
I can't get away
Your my daydream

La-la-laa

If I tell you what i'm thinking
If I let myself trust you
Could you give me what i'm missing
Could you make my dreams come true

I try to be sensitive
I try be tough
I try to walk away
I try to be innocent
I try to be rough
But i just wanna play

Your my day dream
do you that i've been thinking about you

Late-ly and everytime I look at you
I can't explain I feel insane
I can't get away
Your my daydream

I've always wanted someone
I've been waiting for so long
Could you be that someone
Are you my, you my, your my,
YOUR MY!!!

Your my day dream
do you that i've been thinking about you
Late-ly and everytime I look at you
I can't explain I feel insane
I can't get away
Your my daydream - yeah

And you know and you know and you know and you
know
Your making me insane
And you know and you know and you know and you
know
Your doing it again
And you know and you know and you know and you
know
Your making me insane
And you know and you know and you know and you
know
Your doing it again
