la da da da da
da da da da
ooh ooh yeah

you told me on a sunday
that it wasn't gonna work
i tried to cry myself to sleep
cause it was supposed to hurt

we sat next to the fire
as the flame was burning out
i knew what you were thinking
before youd say it aloud

don't say you're sorry
cause i'm not even breaking
you're not worth the time that this is taking

i knew better
than to let you break my heart
this soul you'll never see again
won't be showing scars
oh no no

you still love her
i can see it in your eyes
the truth is all that i can hear
everytime you lie
everytime you lie

i woke up the next morning
with a smile on my face
and a long list of gentlemen
happy to take your place
less trashier much classier
then who you prove to be

how longs it gonna take before
you see that shes no me
oh no

i knew better

than to let you break my heart
the soul you'll never see again
won't be showing scars
oh no no

you still love her
i can see it in your eyes
the truth is all that i can hear
everytime you lie

at night, awake
i will be sleeping till morning breaks
that's the price you pay
for your mistakes
goodbye to dreaming

so don't say you're sorry
cause i'm not gonna listen

i knew better
than to let you break my heart
the soul you'll never see again
won't be showing scars
oh no no

you still love her
i can see it in your eyes
the truth is all that i can hear
everytime you lie
ooh
everytime you lie

don't say you're sorry
ooh yeah
don't say you're sorry
ooh

the truth is all that i can hear
everytime you lie
