i know  
your dirty little secret  
your thing you've been hiding eye  
it awaits just above the eyelash  
and today i'm gonna find out what it is

i'm going on a mission  
to find your intusion  
i'm going behind your eyelash  
i'm finding your little secret

don't be afraid  
i'm sure they wont laugh  
and if they i'll cover your eyelash  
but show it to then show it to the world  
how bad could it be

i'm going on a mission  
to find your intuison  
i'm going behind your eyelash  
i'm finding your little secret

now i'll find

i mean what if the girls think it's sexy  
i mean i couldnt be that bad  
i could be so bad

if you can't take it then i won't do it  
just please let me i won't boo it  
i'm just gonna do it  
wheather you like it our not

i'm going on a mission  
to find your intuison  
i'm going behind your eyelash  
i'm finding your little secret

i'm done with my mission  
i found your intuison  
i went behind your eyelash  
i found your little secret

it wasn't so bad
