It's probably what's best for you
I only want the best for you
and if I'm not the best
then you're stuck

I tried to sever ties
and I ended up with wounds to bind
like you're pouring salt in my cuts

And I just ran out of band aids
I don't even know where to start
cause you can bandage the damage
you never really can fix a heart

Even now I know what's wrong
how could I be so sure
if you never say what you feel, feel

I must have held you hand so tight
you didn't have the will to fight
I guess you needed more time to heal

Baby I just ran out of band aids
I don't even know where to start
cause you can bandage the damage
you never really can fix a heart

ohhh ohhh...

yeah ohhh..yeah

You must be a miracle worker
swearing up and down you can fix
what's been broken yeah
please don't get my hopes up no no
baby tell me how could you be so cruel

It's like you're pouring salt on my cuts

Baby I just ran out of band aids
I don't even know where to start
cause you can bandage the damage

you never really can fix a heart

Baby I just ran out of band aids
I don't even know where to start
cause you can bandage the damage
you never really can fix a heart
oh no no no
you never really can fix a heart
oh no no no
you never really can fix a heart

oh hoo ohhh
oh hoo yeah ohhh ohh ho oh oh oh

You never really can fix my heart
