You reel me in with your smile  
You make me melt with your voice  
Now I've been gone now for awhile  
Just to find that I'm your seventh choice  
And I don't wanna pay the cost  
But it'd be best if you get lost  
Cause we know you'll never change

Chorus:

Don't say that you need me  
And don't play these games with my mind  
You better get out of my head  
Cause you're wasting your time  
And don't say it's forever  
And don't play  
Cause you had your shot  
You better stop messing around  
Cause you're gonna Get Caught

You promised me all of your time  
I guess I'm not the only one  
But see it's my heart on the line  
This time  
I'm your number one or I'm gone

Chorus:

Don't say that you need me  
And don't play these games with my mind  
You better get out of my head  
Cause you're wasting your time  
And don't say it's forever  
And don't play  
Cause you had your shot  
You better stop messing around  
Cause you're gonna Get Caught

Go and try to get me back  
(You won't get me back)  
(You won't get me back)  
I won't forget about our past

(I won't forget)  
(NO!!)  
I never had the guts to leave  
Now your making it  
(You know you're making it)  
Now you're making it  
(Now you're making it)  
Much easier for me to see

And don't say that your sorry  
For breaking every inch of my heart  
I should've known from the start  
Now its time to get lost

Chorus:

And don't say that you need me  
And don't play these games in my mind  
You better get out of my head  
cause you're wasting your time  
And don't say its forever  
And don't play cause you had your shot  
You better stop messing around  
Cause you're gonna Get Caught  
You better stop messing around  
Cause you're gonna Get Caught.
