The day I first met you  
You told me you never fall in love  
But now that I get you  
I know fear is what it really was

Now here we are, so close  
Yet so far, haven't I passed the test  
When will you realize  
Baby, I'm not like the rest

Don't wanna break your heart  
I wanna give your heart a break  
I know you're scared it's wrong  
Like you might make a mistake  
There's just one life to live  
And there's no time to wait, to wait

So let me give your heart a break  
Give your heart a break  
Let me give your heart a break  
Give your heart a break

Oh, yeah yeah

A Sunday, you went home alone  
There were tears in your eyes  
I called your cell phone, my love  
But you did not reply

The world is ours, if you want it  
We can take it, if you just take my hand  
There's no turning back now  
Baby, try to understand

Don't wanna break your heart  
I wanna give your heart a break  
I know you're scared it's wrong  
Like you might make a mistake  
There's just one life to live  
And there's no time to wait, to wait

So let me give your heart a break

Give your heart a break  
Let me give your heart a break  
Your heart a break  
There's just so much you can take  
Give your heart a break  
Let me give your heart a break  
Your heart a break

Oh, yeah yeah

When your lips are on my lips  
And our hearts beat as one  
But you slip right out of my fingertips  
Every time you run

Don't wanna break your heart  
I wanna give your heart a break  
I know you're scared it's wrong  
Like you might make a mistake  
There's just one life to live  
And there's no time to wait, to wait  
So let me give your heart a break

Cuz you've been hurt before  
I can see it in your eyes  
You try to smile it away  
Some things you can't disguise  
I don't wanna break your heart  
Baby, I can ease the ache, the ache

So, let me give your heart a break  
Give your heart a break  
Let me give your heart a break  
Your heart a break  
There's just so much you can take  
Give your heart a break  
Let me give your heart a break  
Your heart a break

The day I first met you  
You told me you never fall in love
