How 'bout a bit of soul?  
Some integrity?  
I'm not talking about no fake kinda feeling, but the girl  
in my dreams will Be for real without a doubt so I don't  
no who you are but find your way to me  
Uh, in no rush to see  
Baby, I'm HANGING, HANGING on for you  
That's where it is, go 'bout my buisness  
HANGING, HANGING on for you  
And you'll be mine in future time  
It's true, ooh ohh ohh ohh ohh ohh ohh ohh  
How 'bout we wait a couple years 'till you do it right?  
I gotta little game left  
So, I'mma hang up in a play and share this line  
And you can do the same, yes  
'Cause this horizon soon will focus into view, yeah  
Uh, in no rush to see  
Baby, I'm HANGING, HANGING on for you  
That's where it is, go 'bout my buisness

HANGING, HANGING on for you  
And you'll be mine in future time  
It's true, ooh ohh ohh ohh ohh ohh ohh ohh

There's no rush, we will touch  
And it will be a whole other level girl  
Just one kiss, yes this is  
The heaven that will counquer the Devil's world  
Uh, in no rush to see  
Baby, I'm HANGING, HANGING on for you  
That's where it is, go 'bout my buisness  
HANGING, HANGING on for you  
And you'll be mine in future time  
HANGING, HANGING on for you  
That's where it is, go 'bout my buisness  
HANGING, HANGING on for you  
And you'll be mine in future time  
(Ooh ohh ohh ohh ohh ohh ohh ohh)  
HANGING, HANGING on for you  
That's where it is, go 'bout my buisness  
HANGING, HANGING on for you  
(And you'll be mine in future time it's true, ooh ohh ohh

ohh ohh ohh ohh ohh)!
