How 'bout a bit of soul?
Some integrity?
I'm not talking about no fake kinda feeling, but the girl
in my dreams will Be for real without a doubt so I don't
no who you are but find your way to me
Uh, in no rush to see
Baby, I'm HANGING, HANGING on for you
That's where it is, go 'bout my buisness
HANGING, HANGING on for you
And you'll be mine in future time
It's true, ooh ohh ohh ohh ohh ohh ohh
How 'bout we wait a couple years 'till you do it right?
I gotta little game left
So, I'mma hang up in a play and share this line
And you can do the same, yes
'Cause this horizon soon will focus into view, yeah
Uh, in no rush to see
Baby, I'm HANGING, HANGING on for you
That's where it is, go 'bout my buisness
HANGING, HANGING on for you
And you'll be mine in future time
It's true, ooh ohh ohh ohh ohh ohh ohh ohh
There's no rush, we will touch
And it will be a whole other level girl
Just one kiss, yes this is
The heaven that will counquer the Devil's world
Uh, in no rush to see
Baby, I'm HANGING, HANGING on for you
That's where it is, go 'bout my buisness
HANGING, HANGING on for you
And you'll be mine in future time
HANGING, HANGING on for you
That's where it is, go 'bout my buisness
HANGING, HANGING on for you
And you'll be mine in future time
(Ooh ohh ohh ohh ohh ohh ohh ohh)
HANGING, HANGING on for you
That's where it is, go 'bout my buisness
HANGING, HANGING on for you
(And you'll be mine in future time it's true, ooh ohh ohh
ohh ohh ohh ohh ohh)!
