(Verse 1)

How did you get here under my skin?  
How did you get here under my skin?  
How did you get here under my skin?  
How did you get here?  
How did you get here?  
I throw all of your stuff away then I clear you out of my  
head  
I tear you out of my heart and ignore all your messages  
I tell everyone we are through 'cause I'm so much  
better without you but  
It's just another pretty lie 'cause I break down every  
time you come arond  
Oh-oh  
Oh-oh

(Chorus)

So how did you get here under my skin?  
Swore that I never let you back again  
Should have known better than trying to let you know  
'cause here we go go  
Go again  
Hard as I try I know I can't quit  
Something about you is so addictive  
We're falling together  
You'd think that by now I'd know 'cause here we go go  
go again

(Verse 2)

You never know what you want and you never say what  
you mean, but I start  
To go insane every time that you look at me  
You only hear half of what I say and you're always  
showing up too late and  
I know that I should say good-bye but it's no use  
Can't be with or without you  
Oh-oh  
Oh-oh

(Chorus)

So how did you get here under my skin?  
Swore that I never let you back in  
Should have known better than trying to let you go

'cause here we go go go  
Again  
Hard as I try I know I can't quit  
Something about you is so addictive  
We're falling together  
You'd think that by now I'd know 'cause here we go go  
go again  
Again and again and again and again and again and  
again

(Bridge)

I threw all of your stuff away and I cleared you out of  
my head and I tore  
You out of my heart  
Oh-oh  
Oh-oh  
Oh-oh  
Oh-oh  
So oh-oh  
Oh-oh  
Oh-oh  
Oh-oh  
So oh-oh  
Oh-oh  
Oh-oh  
Oh-oh  
So oh-oh  
Oh-oh  
Oh-oh  
Oh-oh  
So oh-oh  
Oh-oh  
Oh-oh  
Oh-oh

(Chorus)

So how did you get here under my skin?  
Swore that I never let you back in  
Should have known better than trying to let you go  
'cause here we go go go  
Again  
Hard as I try I know I can't quit  
Something about you is so addictive  
We're falling together  
You'd think that by know I'd know 'cause here we go go  
go again  
Here we go again  
Her we go again  
Again  
Again and again and again and again and again and  
again and again and again  
And again and again and again and again  
How did you get here under my skin?  
How did you get here?  
How did you get here under my skin?

How did you get here?  
How did you get here?  
How did you get here under my skin?  
How did you get here?  
How did you get here?
