If the weapon is your love, I got my hands up x2  
I'd say hold up, broken out of nowhere, showed up  
I'm not  
This haste got me skipping a heart beat  
I'm giving up

I wanna run, run, run away  
In your get-away car  
Make a get-away  
If the weapon is your love, I got my hands up  
If you're gonna take me down, I surrender  
I'll give you anything you want  
Just don't leave me alone  
This is a hold up, this is a hold up

If the weapon is your love, I got my hands up  
Hey stranger  
I'm addicted to the danger  
Of the time  
Know you're wanting  
To keep me as your hostage  
Tie me up

I wanna run, run, run away

From your get away  
Call, make a get away  
If the weapon is your love, I got my hands up  
If you're gonna take me down, I surrender  
I'll give you anything you want,  
Just don't leave me alone  
This is my hold up x2

Everybody get down  
Get down on the floor  
Everybody get down  
Or nobody gets hurt

If the weapon is your love, I got my hands up  
If your gonna take me down, I surrender  
I'll give you anything you want,  
Just don't leave me alone

This is my hold up x2  
If the weapon is your love, I got my hands up  
If your gonna take me down, I surrender  
I'll give you anything you want,  
Just don't leave me alone  
This is my hold up x2  
If the weapon is your love, I got my hands up x2
