He-ey yeah... I hate you, don't leave me.
I feel like, I can't breathe.
Just hold me..., don't touch me

And I want you to love me,
But I need you to trust me.
Stay with me, set me free.

But I can't back down. No, I can't deny.
That I'm staying now cause I can't decide...
Confused and scared. I'm terrified of you.

I admit, I'm in, and out of my head,
Don't listen to a single word I said.
Just hear me out, before you run away,
Cause I can't take this pain.

I hate you, don't leave me.

I hate you, don't leave me.
Cause I love when, you kiss me.
I'm in pieces, you complete me.

But I can't back down. No, I can't deny.
That I'm staying now cause I can't decide.
Confused and scared. I'm terrified of you.

I admit, I'm in, and out of my head.
Don't listen to a single word I said...
Just hear me out, before you run away.
Cause I can't take this pain, No-o!

I'm addicted to the madness,
I'm a daughter of the sadness,
I've been here too many times before!

Been abandoned, and I'm scared now...

I can't handle another fall out,
I'm fragile, just washed upon a shore!

They Forget me, don't see me...
When they love me, they leave me...

I admit, I'm in, and out of my head!
Don't listen to a single word I said!
Just hear me out, before you run away,
Cause I can't take this pain.

No, I can't take this pain...

I hate you, don't leave me...
I hate you, please love me...
