Pictures in my pocket,  
All faded from the washed,  
I can barely just make out your face.  
Food you saved for later,  
In my refrigerator,  
It's been too long since later never came.  
I know, one day eventually,  
Yeah, I know, one day I'll have to let it all go.  
But I keep it just in case,  
Yeah, I keep it just in case.

In case you don't find what you're looking for.  
In case, you're missing what you had before.  
In case you change your mind,  
I'll be waiting case you just want to come home.

Strong enough to leave you,  
But weak enough to need you,  
Cared enough to let you walk away.  
I took that dirty jacket,  
From the trash right where you left it,  
Cuz I couldn't stand to see it go to waste.  
And I know, one day eventually,  
I know, one day I'll have to let it all go.  
But I Keep it just in case,  
Yeah I keep it just in case.

In case you don't find what you're looking for.  
In case, you're missing what you had before.  
In case you change your mind,  
I'll be waiting case you just want to come home.

In case you're looking in the mirror one day  
And miss my arms,  
How they wrapped around you.  
Waite and I say that you can love me again even if it  
isn't the case...  
You don't find what you're looking for,  
You're missing my love,  
You don't find you're looking for,  
In case you're missing what you had Before

In case you change you're mind  
I'll be waiting, in case you just want to come home,  
In case...
