It's Not To Late lyrics

Ohh  
Here I am  
Feels like the walls are closing in  
Once again it's time to face it and be strong  
I wanna do the right thing now  
I know it's up to me some how  
I've lost my way

If I could take it all back I would now  
I never meant to let you all down  
And now I've got to try to turn it all around  
And figure out how to fix this  
I know there's a way so I promise  
I'm gonna clean up this mess I made  
Maybe It's not to late  
Maybe it's not to late oh

So I'll take a stand  
Even though it's complicated  
If I can I wanna change the way I've made it  
I gotta do the right thing now  
I know it's up to me some how  
I'll find my way

If I could take it all back I would now  
I never meant to let you all down  
And now I've got to try to turn it all around

And figure out how to fix this  
I know there's a way so I promise  
I'm gonna clean up the mess I made  
Maybe It's not to late

I'm gonna find the strength  
To be the one who that holds it all together  
Show you that I'm sorry  
But I know that we can make it better

If I could take it all back I would now  
I never meant to let you all down

And now I've got to try to turn it all around  
And figure out how to fix this  
I know there's a way so I promise  
I'm gonna clean up the mess I made  
Maybe It's not to late

I never meant to let you all down  
Now I've got to try to turn it all around  
And figure out how to fix this  
I know there's a way so I promise  
I'm gonna clean up this mess I made  
Maybe It's not to late  
Maybe it's not to late oh yeah
