Drums

A little guitar please

One two three four

I hope you're ready for the time of your life

Just look at me

I put a gleam in your eye

Buckle up

We're gonna take you for a ride

Let's go

We got you going

Get in the vibe

Everybody put your hands to the sky

Buckle up

We're gonna take you take you high

Show me show me show me show me show what you  
got

Come on come on come on come on ready or not

La-la-la-la-la let me see how you rock

It's on it's on it's on

Get crazy crazy crazy; take it over the top

'Cause we 'cause we 'cause when we rock we let it rock

Rock it rock it rock it; dance till we drop

It's on it's on it's on

Okay now are you ready?

One two

One two three four

Showstoppin' when I step in the place

Before it's done you're gonna beg me to stay

Get on board

Come on; let's ride the wave

Let's go let's go

We just do what we do

Watch me break and pop

I'll blast it for you
