Drums

A little guitar, please

One, two, three, four

I hope you're ready for the time of your life

Just look at me, I put a gleam in your eye

Buckle up, we're gonna take you for a ride

Let's go, we got you going, get in the vibe

Everybody, put your hands to the sky

Buckle up, we're gonna take you, take you high

Show me, show me, show me, show me, show what you
got

Come on, come on, come on, come on, ready or not

La-la-la-la-la, let me see how you rock

It's on, it's on, it's on

Get crazy, crazy, crazy, take it over the top

'Cause we, 'cause we, 'cause when we rock, we let it
rock

Rock it, rock it, rock it, dance till we drop

It's on, it's on, it's on

Okay now, are you ready?

One, two

One, two, three, four

Showstoppin' when I step in the place

Before it's done, you're gonna beg me to stay

Get on board, come on, let's ride the wave

Let's go, let's go, we just do what we do

Watch me break and pop, I'll blast it for you

You wanna rock like us?

'Cause we're never second place

(You ready?)

Show me, show me, show me, show me, show what you
got

Come on, come on, come on, come on, ready or not

La-la-la-la-la, let me see how you rock

It's on, it's on, it's on

Get crazy, crazy, crazy, take it over the top
'Cause we, 'cause we, 'cause when we rock, we let it
rock
Rock it, rock it, rock it, dance till we drop
It's on, it's on, it's on

Okay now, are you ready?
Come on
One, two
One, two, three

The-the-the-there is no competition
That's why we're in the number one position
Your crew can't hang with us
Man, we're too dangerous
Ain't got the style or the stamina
Just doin' my thing
Get hooked on my swing
Rockin' the place, droppin' the bass
Makin' all the girls sing
Yeah, we make the bells ring
(It's on, it's on)

Drums
Yeah
A little guitar, please
One, two, three, four

Show me, show me, show me, show me, show what you

Come on, come on, come on, come on, ready or not
La-la-la-la-la, let me see how you rock
It's on, it's on, it's on
Show me
Get crazy, crazy, crazy, take it over the top
'Cause we, 'cause we, 'cause when we rock, we let it
