KISS ME tonight
I'm falling under, KISS ME forever
Oh no, you don't need to be shy
Oh yeah, it will work out just fine
So, KISS ME tonight
What are you waiting for?
Take my hand, let's dive into the sea of love
Take my heart, here's the start right in front of us
We could be everything and it won't change anything
So take my hand and we will see when you KISS ME
Here we are, time is ticking away
Don't wanna see tomorrow
Oh no, I don't want this night to end
Oh yeah, our love is waiting to begin
Here we are
What are you waiting for?

Take my hand, let's dive into the sea of love
Take my heart, here's the start right in front of us

We could be everything and it won't change anything
So take my hand and we will see when you KISS ME
It's our ticket to love
Common I know you wanna hold me
You want love, show me when you KISS ME tonight
Oooooo
KISS ME tonight
What are you waiting for?
Take my hand, let's dive into the sea of love
Take my heart, here's the start right in front of us
We could be everything and it won't change anything
So take my hand and we will see when you KISS ME
Oooo yeah yeah
When you KISS ME yeah yeah yeah
When you KISS ME!
