Our love runs deep like a Chevy
If you fall I'll fall with you baby
Cause that's the way we like to do it
That's the way we like

You run around and open doors like a gentleman
Tell me girl everyday you're my everything
Cause that's the way you like to do it
That's the way you like

Just a little West Coast in a bed of sunshine
Hair blowing in the wind
Losing track of time
Just you and I
Just you and I
Whoa, whoa

No matter how far we go
I want the whole world to know
I want you bad
And I won't have it any other way
No matter what the people say
I know that we'll never break
Cause our love was made

Made in the USA
Made in the USA
Yeah, yeah

I was reading my mind like a letter
When I'm cold you're there like a sweater
Cause that's the way we like to do it
That's the way we like

I never ever let the world get the best of you
Every night we're apart
I'm still next to you
Cause that's the way I like to do it
That's the way I like

We touch down on the East Coast

Dinner on the skyrise
Winter is the best time
For walking under city lights
You and I
You and I
Whoa

No matter how far we go
I want the whole world to know
I want you bad
And I won't have it any other way
No matter what the people say
I know that we'll never break
Cause our love was made
Made in the USA

Cause baby I'd bite the bullet
And take the blows for love, whoa

Cause our love was

Made in the USA
Made in the USA
Made in the USA

No matter how far we go
I want the whole world to know
I want you bad
And I won't have it any other way

No matter what the people say
I know that we'll never break
Cause our love was made
Made in the USA
Made in the USA
Yeah, yeah

Made in the US
Made in the US
Made in the USA
