I felt picture perfect  
On and off a shelf to a broken frame of mind  
A broken frame of mind  
It comes back and haunts me  
A bullet undercover  
It fooled every time, fooled every time  
But even if I lose it all,  
I got so much left to give, I won't give up  
My heart is on the front line, not afraid

I will love you like I've never been hurt  
Run through fire for you like I've never been burned  
I'm gonna risk it all like I've never lost  
Gonna give it all I've got  
I will love you, I will love like I've never been hurt  
Never been hurt

You set fire to ashes  
You fought through the darkness  
and brought me back to life  
You brought me back to life  
So even if I lose it all,  
I got so much left to give, I won't give up  
My heart is on the front line, not afraid

I will love you like I've never been hurt  
Run through fire for you like I've never been burned  
I'm gonna risk it all like I've never lost  
Gonna give it all I've got  
I will love you, I will love like I've never been hurt  
Never been hurt

I will love you and forever, I will love you like I never  
Like I never heard goodbye, like I never heard a lie  
Like I'm falling into love for the first time

I will love you like I've never been hurt  
Run through fire for you like I've never been burned  
I'm gonna risk it all like I've never lost  
Gonna give it all I've got  
I will love you, I will love like I've never been hurt  
Never been hurt
