My state of mind
Has finally got the best of me
I need you next to me
I'll try to find a way that I can
Get to you
Just wanna to get to you

The world I see is perfect now
You're all around
With you I can breath

Until You're Mine
I have to find a way
To fill this hole inside
I can't survive without you
Here by my side
Until You're Mine
Not gonna be even
close to complete
I won't rest until you're mine (mine)

Alone inside, I can
Only hear your voice
Ringing through the noise
Can't find my mind
Keeps on coming back to you
Always back to you

Wanted something out of reach
It's killing me
You're all I see, yeah

Until You're Mine
I have to find a way
To fill this hole inside
I can't survive without you
Here by my side
Until You're Mine
Not gonna be
Even close to complete
I won't rest until you're mine (mine)

Just stop wondering
If we were meant to be
Forget about fate and just hold me
Ready to begin
The waiting has to end
Right now, today
I've gotta find a way
Mine!
Until You're Mine

Until you're mine
I have to find a way
To fill this hole inside
I can't survive without you
Here by my side
Until you're mine
Not gonna be even close to complete
I won't rest until you're mine

My state of mind
Has finally got the best of me
I need you next to me
