

Demi Lovato

"Quiet"

Visit "[Quiet](#)" on MotoLyrics.com

I hear what you're not saying
It's driving me crazy
It's like we stopped breathing in this room

We're both the last to be leaving
I know what you're thinking
I wish you'd make your move

[Chorus:]
It's much too quiet in here
I wanna disappear
I'm hearing myself thinking too clear
It's too quiet in here
Make it all go away
Why can't we break this silence, finally

It's like you know where I'm going
You follow me home
But I never invite you inside

I see what you're not showing
I've got you alone
But the air is so thin, it's weird

[Chorus:]
It's much too quiet in here
I wanna disappear
I'm hearing myself thinking too clear
It's too quiet in here
Make it all go away
Why can't we break this silence, finally

Don't stop, don't stop
Telling me goodnight
Just promise you'll kiss me goodbye
What's taking so long?
Don't tell me you're not gonna try
The tension's building in my mind
I wanna scream, and I know why

It's much too quiet in here
I wanna disappear

I'm hearing myself thinking too clear

It's too quiet in here

Make it all go away

Why can't we break this silence, finally...!

Make it all go away!

It's. too. quiet. in here
