You wanna play,
You wanna stay,
You wanna have it all
You started messing with my head
Until I hit a wall
Maybe I shoulda known, maybe I shoulda known
That you would walk, you would walk out the door, hey!

Said we were done, and met someone
And rubbed it in my face
Cut to the part she broke your heart,
And then she ran away
I guess you shoulda known, I guess you shoulda known
That I would talk, I would talk

But even if the stars and moon collide,
I never want you back into my life
You can take your words and all your lies, oh oh oh I
really don't care

Even if the stars and moon collide,
I never want you back into my life
You can take your words and all your lies, oh oh oh I
really don't care
Oh oh oh I really don't care

I can't believe I ever stayed up writing songs about you
You don't deserve to know the way I used to think about
you
Oh no not anymore, oh no not anymore
You had your shot, had your shot, but you let go

Now if we meet out on the street
I won't be running scared
I'll walk right up to you and put one finger in the air
And make you understand, and make you understand
You had your chance, had your chance

But even if the stars and moon collide,
I never want you back into my life
You can take your words and all your lies, oh oh oh I

really don't care
Even if the stars and moon collide, I never want you
back into my life
You can take your words and all your lies, oh oh oh I
really don't care
Oh oh oh I really don't care

[Cher Lloyd]
Yeah, listen up
Hey, hey never look back,
Dumbstruck boy, ego in tact
Look boy, why you so mad
Second guessin', but shoulda hit that
Hey Demi you picked the wrong lover
Shoulda picked that one, he's cuter than the other
I just wanna laugh,
'cause you tryna be a hipster
Kick it to the curb, take a Polaroid picture

But even if the stars and moon collide, I never want you
back into my life
You can take your words and all your lies, oh oh oh I
really don't care
Even if the stars and moon collide, I never want you
back into my life
You can take your words and all your lies, oh oh oh I
really don't care
Oh oh oh I really don't care
