I feel a separation coming on
Cause I know that you want to be moving on

I wish it would snow tonight
You pull me in avoid a fight
Cause I feel
A separation coming on

Just prove that there is nothing left to try
It's the truth
I'd rather we just walk tonight

You kiss me with those open eyes
It says so much
It's no surprise to you
But I've got something left to say

Don't surrender, surrender, surrender
Please remember, remember December
We were so in love back then
Now you're listenin to what they say
Don't go that way
Remember, remember, December
Please remember
Don't surrender

You said you wouldn't let them change your mind
Cause we're here together by your melting eyes
Our hearts are both on overdrive
Come with me let's run tonight don't let
These memories get left behind

Don't surrender, surrender, December
Please remember, remember, December
Where were so in love back then
Now you're listenin to what they say
Don't go that way
Remember, remember, December
Please remember

I remember us together
We both promised that forever

We could do this
Fight the pressure
Please remember December

Don't surrender

Don't Surrender, surrender, surrender
Please remember, remember, December
We were so in love back then
Now you're listenin to what they say
Do what they say
Don't go that way
Remember, remember, December
Please remember
Don't surrender
