Miley:]

A word's, just a word

'Til you mean what you say

[Nick:]

And love, isn't love

'Til you give it away

[Miley:]

We've all gotta give

[Nick:]

Yeah, something to give

[Miley & Nick:]

To make a change

[Chorus:]

Send it on

On and on

Just one hand can heal another

Be a part

Reach a heart

Just one spark starts a fire

With one little action the chain reaction

Will never stop

Make it strong

Shine a light and send it on

[Demi & Joe:]

Just Smile

(Just Smile)

And the world

(And the world)

Will smile

Along with you...

[Joe:]

That small act of love

That's meant for one

[Demi & Joe:]

Will become two

[Miley:]

If we take the chances...

[Nick:]

That change circumstances

[Nick & Miley]

Imagine all we can do

[All}]

If we

[Chrous:]

Send it on

On and on

Just one hand can heal another

Be a part

Reach a heart

Just one spark starts a fire

With one little action the chain reaction

Will never stop

Make it strong

Shine a light and send it on (oh send it on)

Send it on...

[Miley:]

There's power in all of the choices we make

[Demi & Joe:]

So I'm starting now there's not a moment to wait

(Selena:)

A word's, just a word

'Til you mean what you say

(Selena, Kevin)

And love, isn't love

'Til you give it away

[All:]

Send it on

(Send it on)

On and on

(On and on)

Just one hand can heal another

Be a part

(Be a part)

Reach a heart

Just one spark starts a fire
With one little action the chain reaction
Will never stop
Make it strong
Shine a light and
Send it on

On and on
Just one hand can heal another
Be a part
Reach a heart
Just one spark starts a fire
With one little action the chain reaction
Will help it start
Make it strong
Shine a light and send it on

[Demi:]
Shine a light and send it on...

[All:]
Shine a light and send it on...
