I don't know why  
I don't know why  
I'm so afraid (so afraid)

And I don't know how  
I don't know how  
To fix the pain (fix the pain)

We're livin a lie  
Livin a lie  
We just need to change (need to change)

Cuz we're out of time  
We're out of time  
And it's still the same

You can't stop the world  
But there's so much more that we could do  
You can't stop this girl  
From falling more in love with you

You said nobody has to know  
If it's time to go  
And take it slow  
But I can stop the world stop  
If they finally let us be alone  
Let us be alone

Hearin the noise  
Hearin the noise  
From all of them (from all of them)

And I'm on the edge  
I'm on the edge  
Of breakin down (of breakin down)

Like Bonnie and Clide  
Let's ride  
And take this town

So keep it alive  
Keep it alive

Don't make a sound

You can't stop the world  
But there's so much more that we could do  
You can't stop this girl  
From falling more in love with you

You said nobody has know  
If it's time to go  
And take it slow  
But I can stop the world  
If they finally let us be alone  
Let us be alone

If the world wont take  
That final blow  
I'll turn the other page  
I wont close the book

You can't stop the world  
But there's so much more that we could do  
You can't stop this girl  
From falling more in love with you

You said nobody has to know  
If it's time to go  
And take it slow  
But I can stop the world  
If they finally let us be alone  
Let us be alone
