Like a sunset on a hot summer night, like making up
after our first big fight
Wind swept hair, when the moons just right
Ohh, your a perfect sight
Come on baby, let me take that wheel
I'm ready to show you how I fell
If waht I'm dreaming might be real
Then I don't wanna waste time, I just wanna make you
mine
SURE FEELS LIKE LOVE, sure feels like the right thing
baby
Ain't got no if's, no and's, no doubts, no maybes
Well I knew at once, when I looked in your eyes I had
the answer before
You said "goodnight, love"
SURE FEELS LIKE LOVE tonight

-MUSIC- (FOR SIX SECONDS)

Your oh so sweet, just my luck
Like a extra marshmallow in my cocoa cup
Oh no, I can never get enough
I wonder if you realize, don't need a crown to be my
king your already my Everything

The words I write and the songs I sing
The lullaby here inside the melody, I can't deny

SURE FEELS LIKE LOVE, sure feels like the right thing
baby
Ain't got no if's, no and's, no doubts, no maybes
Well I knew at once, when I looked in your eyes I had
the answer before
You said "goodnight, love"
SURE FEELS LIKE LOVE tonight

-MUSIC- (FOR SEVEN SECONDS)

My whole worlds turnin' upside down
Standing still on a merry go round
SURE FEELS LIKE LOVE, sure feels like the right thing
baby

Ain't got no if's, no and's, no doubts, no maybes
Well I knew at once, when I looked in your eyes I had
the answer before
You said "goodnight, love"
(SURE FEELS LIKE LOVE, sure feels like the right thing
baby)
(SURE FEELS LIKE LOVE, sure feels like the right thing
baby)
SURE FEELS LIKE LOVE tonight
SURE FEELS LIKE LOVE!
