So let's sing
Na, na na na na, hey ya
Come on and sing
Na, na na na na, hey ya

This is our song, that's all that matters
'Cause we all belong right here together
There's nothing better than singing along
This is our summer, this is our song

Come grab your guitar, sit by the fire
'Cause we all need a song when we're weary and tired
We'll sit here together and sing it out loud

This is our song, that's all that matters
'Cause we all belong right here together
There's nothing better than singing along
This is our summer, this is our song
This is our song

Come on and sing
Na, na na na na, hey ya
Come on and sing
Na, na na na na, hey ya
And come on and sing
Na, na na na na, hey ya
Come on and sing
Na, na na na na, hey ya

This is our song, that's all that matters
'Cause we all belong right here together
There's nothing better than singing along
This is our summer
(Our summer)

This is our song, that's all that matters
'Cause we all belong right here together
There's nothing better than singing along
This is our summer, this is our song
(This is our song)
This is our song

(This is our song)
This is our song
