(Demi)

I've always been the kind of girl, that hid my face,
So afraid to tell the world, what I've got to say,
But I have this dream, bright inside of me,
I'm gonna let it show, it's time, to let you know, to let
you know,

(Chorus)

This is real, this is me,
I'm exactly where I'm supposed to be now,
Gonna let the light, shine on me,
Now I've found who I am,
There's no way to hold it in,
No more hiding who I wanna be,
This is me

(Demi)

Do you know what it's like, to feel so in the dark?
To dream about a life, where you're the shining star,
Even though it seems, like it's too far away,
I have to believe, in myself, it's the only way,

(Chorus)

(Joe)

You're the voice I hear inside my head,
The reason that I'm singing,
I need to find you, I gotta find you,
You're the missing piece I need,

The song inside of me,

(Both)

I need to find you,
I gotta find you

(Demi)

This is real, this is me,

(Both)

I'm exactly where I'm supposed to be now,
Gonna let the light, shine on me,
Now I've found who I am, there's no way to hold it in,

No more hiding who I wanna be,
This is me,

(Demi)

This is me

(Joe)

You're the missing piece I need, the song inside of me,

(Demi)

This is me

(Joe)

You're the voice I hear inside my head, the reason that
I'm singing

(Both)

Now I've found who I am, there's no way to hold it in,

No more hiding who I wanna be,

This is me
